2 Terriers Also Lacerate Girl's Body

OAKHAM, Mass., March 22.—Eunice **Dean**, 4 years old, is dead, the victim of a ferocious attack by two terriers.

The little girl died last night eight hours after the dogs attacked and mangled her. The dogs, caught and killed by constables, are to be examined at a laboratory to determine whether they had rabies.

Eunice, daughter of George Dean, traveling salesman, rode a little way with her father yesterday when he started out in his automobile on a business trip.

Then she got out and started to walk back home. A little later a passerby, George **Grimes**, saw the dogs, both Boston terriers, tugging and growling at the girl, who lay unconscious. He drove them away and summoned aid.

Physicians said the dogs had torn all her clothing away and lacerated her body from head to foot.
